OUR MISSION

Founded in 2010, the Sousa Mendes Foundation is dedicated to honoring the memory of the Holocaust rescuer Aristides de Sousa Mendes and to educating the public about his action. It has a two-fold mission: raising funds for the restoration of the Sousa Mendes ancestral home "Casa do Passal" along with the creation within its walls of a museum and memorial site, and sponsoring US-based projects that perpetuate his legacy.

PRESIDENT'S MESSAGE

Olivia Mattis

The big news in 2024 was the grand opening of the **Aristides de Sousa Mendes Museum** in Portugal! Like a phoenix, the Museum has arisen from the ruins of the family mansion, Casa do Passal. Built in the 19th century, it was forfeited to creditors in the 1950's following the punishment and death of the Holocaust rescuer **Aristides de Sousa Mendes**. The house remained unoccupied for 70 years and succumbed to the elements.

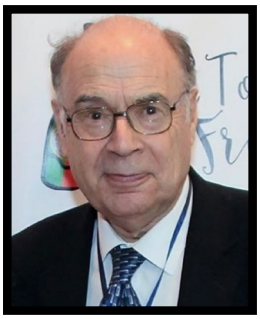

Through the efforts of many, spanning decades and generations, the home has at last been restored, renovated and converted into a Museum in memory of our hero and the families he saved. Enormous credit goes to **Mayor Paulo Catalino** of Carregal do Sal, the municipality where the house sits, who finally brought the Museum into existence. The Sousa Mendes Foundation has contributed expertise, artifacts, documents, photos, video testimonials, an exhibition, a library, funds and a staff member to the Museum, and we look forward to continuing our partnership long into the future.

In 2024 we also partnered with a new organization in Belgium, La Fondation Les Justes de Belgique, founded by **Alexandra Bourla** and **Charlotte Gutman**, to pay tribute to Sousa Mendes in Brussels and Antwerp in an event held under the High Patronage of **His Majesty King Albert II**, himself a Sousa Mendes visa recipient. The connections between Sousa Mendes and Belgium are manifold, as he was the Portuguese Consul General in Antwerp for many years, until his fateful reassignment to Bordeaux just prior to World War II. Many of the refugees he then saved in 1940 as Consul General of Bordeaux were from Belgium, including not only hundreds of Jewish families (including my own) but also political refugees including members of the government and of the Royal Family.

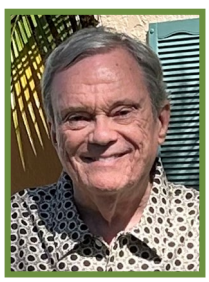

And finally, we are proud that in 2024 **Aristides de Sousa Mendes** was recognized by the US Congress as one of 60 diplomat-rescuers in the Forgotten Heroes of the Holocaust Congressional Gold Medal Act, signed into law by **President Joe Biden** on December 12. Board member **Dr. Mordecai Paldiel** drew up the list of names included in the bill and worked with **Abraham Foxman** and others to convince lawmakers of its importance. Read about these and other exciting achievements in the following pages.

A big thank you to our many generous donors, our dedicated volunteer Board members, over 60 distinguished guest speakers in our popular online Sunday series, and my terrific team of **Matthew Spirn**, **Emile Haffner** and **Camillo Liebl** who make it all seem effortless... In Portuguese, obrigada! And in Hebrew, toda raba!

IN MEMORIAM DAN SUBOTNIK

In 2024 the Foundation lost a cherished Board member, **Daniel Subotnik,** Professor of Law at the Touro Law Center. Dan's parents, **Lejzer and Emma Subotnik**, received visas from Aristides de Sousa Mendes in Bordeaux, France in 1940, on their way to freedom. Dan was wise, witty, generous and a wonderful friend to all who knew him. We extend deepest condolences to his wife **Dr. Rose Rosengard Subotnik** and the entire family.

The Ferguson Foundation is happy to support the Sousa Mendes Foundation and Museum. Tamara van den Bergh Ferguson and her family were recipients of visas signed by Mr. Sousa Mendes. Dr. Ferguson dedicated her 107 years to equal rights, mental health and education advocacy.

– Bill Barnes, trustee of the Ferguson Foundation

OUR DEEPEST THANKS! TAMARA VAN DEN BERGH FERGUSON FOUNDATION

In 2024 the Sousa Mendes Foundation received a $20,000 grant from the **Tamara van den Bergh Ferguson Foundation** in support of our exhibition *The Journey That Saved Curious George* in the Aristides de Sousa Mendes Museum and of the Foundation's US-based programming.

MUSEUM INAUGURATION

For the Sousa Mendes family, the transformation of their ancestral home into a museum was the fufillment of a dream of numerous decades. The emotion was palpable on July 19, 2024, the birthday of Aristides de Sousa Mendes, as visitors entered into the beautifully restored family home, classified as a Portuguese National Monument in 2011, which few remembered except as a ruin. The opening was a very high-profile event. The President of Portugal, **His Excellency Marcelo Rebelo de Sousa**, presided over the inauguration with great fanfare. **UN Secretary António Guterres**, himself a former Prime Minister of Portugal, sent a video greeting of congratulations from New York. **His Holiness Pope Francis**, who in 2020 dedicated a Day of Conscience inspired by the example of Sousa Mendes, sent a letter that was read to the crowd of more than 700 people. Print and television news media were in abundance.

Our own longstanding representative on the project has been Board member **Mariana Abrantes**. She said: "Now, finally, the Sousa Mendes cause has a home, his home, from where we can commemorate his Act of Conscience, learn about rescue and refuge and work together to promote the values he defended."

... A DREAM COME TRUE!

But it takes a village to build a museum. Others present who had a role in making this day a reality included **Sheila Abranches-Pierce, Pedro Azevedo, Isabel Barradas, José Maria Lobo de Carvalho, Gabriella Casella, João Crisostomo, Allan Drummond, Luis Fidalgo, Cookie Fischer, Pierre Guislain, Joan Arnay Halperin, Robert Jacobvitz, Monique Rubens Krohn, Dr. Andrée Lotey, Ana Margarida Mascarenhas, Dr. Olivia Mattis, Gerald Mendes, Dr. Suzana Menezes, Dr. Claudia Ninhos, Catarina Providência, Adelaide Rocha, Carlos Rodrigues, Susana Rosmarinho, Nuno Seabra, Leah Rozenfeld Sills, António Moncada de Sousa Mendes, Silvério de Sousa Mendes,** the Edibest Construction Company with its chief engineer **João Oliveira** and others.

The opening of the Museum, spearheaded by **Mayor Paulo Catalino**, represents a true beginning of the next chapter as it becomes the central repository of the Sousa Mendes story and those of other Portuguese rescuers, in order to fulfill its ambition of becoming a museum of international significance and its mission to welcome, inform and inspire visitors to take action in defense of the values of tolerance, refuge and peace.

THE JOURNEY THAT SAVED CURIOUS GEORGE

Artist Allan Drummond in the Curious George room at the Aristides de Sousa Mendes Museum

There would be no "Curious George" without **Aristides de Sousa Mendes**. Imagine that! The Foundation commissioned the artist **Allan Drummond** to create a special room for young people in the Aristides de Sousa Mendes Museum on *The Journey That Saved Curious George*, based on the bestselling book of that title by **Louise Borden** with illustrations by Drummond. The creators of Curious George, **Hans and Margret Rey**, were German Jews who escaped Nazi-occupied Europe with the help of Sousa Mendes. They traveled first by bicycle and then by train through France, Spain and Portugal, carrying the manuscript to the first Curious George book in their suitcase, a book that was subsequently published in New York. Video clips play in the room from **Ema Ryan Yamazaki's** film *Monkey Business* about the escape of the Reys. Board member **Mariana Abrantes** was key to coordinating and facilitating this ambitious project. The room was made possible by the generous support of the **Tamara van den Bergh Ferguson Foundation** and an anonymous New York donor, whom we thank most sincerely!

AUSTRIAN SERVICE ABROAD – A SPECIAL PARTNER

Since 2022, the Sousa Mendes Foundation has partnered with the Austrian Service Abroad program based in Vienna. This program is an opportunity for Austrian young people, newly graduated from high school, to work in Holocaust education in place of their military service. The interns work as part of our team for a 10-month period, 34 hours/week, at no cost to the Foundation, and they return to Austria with a wealth of new life experiences and knowledge of history. Our wonderful interns in 2024 were **Luis Liebl** (2023-24) and **Emile Haffner** (2024-25) in New York and **Camillo Liebl** (2024-25) in Portugal.

"The Sousa Mendes Museum ia a powerful reminder of the resilience of the human spirit and the importance of standing up for compassion during crisis. It has been an honor to contribute to a place where these vital lessons are shared with visitors."

– Camillo Liebl

"Working with the Sousa Mendes Foundation gives me a unique opportunity to help keep alive the stories of heroes from our past and is both a privilege and a deeply meaningful learning experience."

– Emile Haffner

EVENTS IN WASHINGTON, DC

On January 18, **Dr. Olivia Mattis** spoke at a symposium on Capitol Hill entitled *"Combating Anti-Semitism: The Life and Legacy of Aristides de Sousa Mendes."* Among the other speakers were **Rep. Debbie Wasserman Schultz, Ambassador Francisco Duarte Lopes** of Portugal and **Mayor Paulo Catalino** of Carregal do Sal, Portugal. Earlier that day, Catalino and Mattis signed a collaboration protocol at the Portuguese Embassy between the Sousa Mendes Foundation and the Aristides de Sousa Mendes Museum, and Mattis donated the first two objects to the Museum on behalf of the Foundation, including the yellow star worn by her late uncle during the German occupation of Paris. Also in Washington, **Dr. Mordecai Paldiel** worked with members of the US Congress and Senate to craft the Forgotten Heroes Act honoring the memories of 60 diplomat rescuers, including Aristides de Sousa Mendes.

EDUCATIONAL OUTREACH

Leah Rozenfeld Sills presents the stars her grandmother was forced to wear in Poland

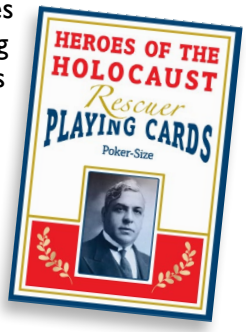

In October of 2024, **Leah Rozenfeld Sills** presented her family's escape story to students from the Oak Hills High School in Cincinnati, Ohio. The program, which took place in the Nancy & David Wolf Holocaust & Humanity Center, highlighted the Rozenfeld family's escape route from Poland, across Europe, through Portugal, and finally to the United States, thanks to visas issued by **Aristides de Sousa Mendes**. Leah is at work on a related exhibition, "*Call me Stefan,*" to be presented to American schools in 2025 as a partnership between the Sousa Mendes Foundation and the Holocaust and Human Rights Education Center in White Plains, NY. In 2024 she presented a Portuguese version of the exhibition in several Portuguese schools with our partner organization, Fundaçao Aristides de Sousa Mendes.

Cookie Fischer

Also in 2024, **Jeannette "Cookie" van den Bergh Fischer** presented the story of her mother's escape to numerous schools throughout Portugal as well as visitors to the Chabad House in Cascais, on the outskirts of Lisbon. She also helped lead tours of the Aristides de Sousa Mendes Museum in six languages, and she and **Mariana Abrantes** helped to train tour guides about the Museum and its contents. **Olivia Mattis** presented the Sousa Mendes story to the Hadassah chapter of Nassau County. Finally, **Mariana Abrantes**, **Olivia Mattis** and **Heidi Omlor** worked together to plan a unique Educators' Institute in Portugal scheduled for July of 2025 in the Museum.

ARISTIDES DE SOUSA MENDES HONORED IN BELGIUM

On November 14-17, 2024, **Aristides de Sousa Mendes** was honored in Belgium in a series of events under the High Patronage of **His Majesty King Albert II,** culminating in a ceremony at the Grande Synagogue de l'Europe in Brussels featuring, among others, **Ambassador Jorge Cabral of Portugal**, **Grand Rabbi Albert Guigui** and **Marc d'Aout**, a grandson of Sousa Mendes who resides in Belgium, and whose heartfelt remarks provoked a spontaneous standing ovation from the capacity audience. Interwoven between speeches were violin and cello performances. This ambitious program was the inaugural event of La Fondation Les Justes de Belgique, created by the dynamic team of **Alexandra Bourla** and **Charlotte Gutman** and dedicated to perpetuating the memory of those who saved Belgian Jewry during the Nazi era. **Olivia Mattis** and **Cookie van den Bergh Fischer** spoke on behalf of the Foundation at the formal dinner that followed, and also present was **Jackie Schwarz**, a cherished member of the Foundation's research team. The day spent in Antwerp included a reception at City Hall in the presence of **Miriam Rottenberg**, granddaughter of **Rabbi Chaim Kruger,** who helped Sousa Mendes in the rescue action of 1940 and who has been recognized with the Jewish Rescuer Citation by B'nai B'rith thanks to the efforts of the Sousa Mendes Foundation.

DISCOVERY OF A NEW VISA

On a visit to the Van Buuren Museum in Brussels organized by La Fondation Les Justes de Belgique, **Olivia Mattis** and **Cookie Fischer** discovered the visa issued by **Aristides de Sousa Mendes** to the banker **David van Buuren**, hidden in a taped and previously unseen corner of his wartime passport – a discovery that elicited squeals of joy from those present.
